- **RETURNED CHECKS DO NOT CONSTITUTE A VALID ENTRY FEE.** BaRay Events will add a \$30.00 collection fee to the amount of each returned check. We will not re-process checks. The exhibitor will be contacted & required to send a money order for the original amount PLUS the \$30.00 NSF fee. ## USE OF RAMPS – ALL BREEDS

A judge requesting the use of a ramp must give notice to the show superintendent/show secretary prior to judging. AKC approval is not required. The entire entry in a breed is to be examined in the same manner (ground, table, or ramp).

At the discretion of the judge, the following breeds may be judged on the ground or on a ramp through all levels of competition including Group and Best in Show judging: Lagotto Romagnolo, Clumber Spaniels, English Springer Spaniels, Field Spaniels, Welsh Springer Spaniels, Cirneco dell'Etnas, Irish Terriers, Kerry Blue Terriers, Soft Coated Wheaten Terriers, Staffordshire Bull Terriers, Finnish Spitz, Keeshonden, Norwegian Buhunds, Polish Lowland Sheepdogs, Spanish Water Dogs, and Norrbottenspets (Misc.).

At the discretion of the judge through all levels of competition including Group and Best in Show judging, the following breeds may be judged on the ground, a ramp, or on a table: Boykin Spaniels and Whippets.

The following breeds must be judged on a ramp through all levels of conformation competition: Sussex Spaniels, Basset Hounds, Bulldogs, Chinese Shar-Pei and Chow Chows. This extends to all conformation competition at AKC conformation dog shows and any AKC event where a conformation title may be earned. This policy includes Group, BIS, Junior Showmanship, the 4–6 Month Beginner Puppy Competition, the AKC National Owner-Handled Series (NOHS), and all other special attractions that offer Group and BIS competitions. Ramps can be used in emergency situation to judge any breed.

In an emergency situation, where use of a ramp is not indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund. For the judging of juniors the ramp may be used at the discretion of the judge for the ramp optional breeds. (07/2016)

## JUNIOR SHOWMANSHIP COMPETITION

**NOVICE CLASS:** For boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show.

**OPEN CLASS:** For boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 90 days from the date of the show where the Junior completed the requirements according to their records.

**MASTER CLASS:** This class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

**NOVICE AND OPEN CLASS DIVIDED:** **Junior**-9 years old and under 12 years old on the day of the show; **Intermediate**-12 years old and under 15 years old on the day of the show; **Senior**-15 years old and under 18 years old on the day of the show.

After the judge has awarded the Best Junior Handler, the second place winner from the class that the Junior was awarded Best Junior Handler is to return to the ring to compete for Reserve Best Junior Handler.

**NOTICE:** Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC, Judges Education Department, (919) 233-9767. BE SURE ALL INFORMATION for Junior Showmanship Classes is entered on front and back of entry form.

**NOTE: SUBSTITUTION OF DOG IN JUNIOR SHOWMANSHIP AT THE SHOW(S):** There will be an Administration Fee of \$5.00 charged for any substitution of dog in Junior Showmanship at each show. In addition, if the dog originally entered in Jr. Showmanship was an additional entry, and the dog being substituted is not otherwise entered in the show, the Junior Showmanship Only fee applies.

## AKC NATIONAL OWNER-HANDLED SERIES

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. All dogs that are owner-handled and are not owned or exhibited by professional handlers\* meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog.

Dogs must be handled by an owner/handler eligible for the AKC National Owner-Handled Series throughout the breed level competition for the point show. This includes the class competition and subsequent competition in the breed ring. Additionally, dogs must be handled by an eligible owner/handler for all AKC National Owner-Handled Series competition. If the replacement handler is an eligible owner/handler for that dog a change can occur. Any person can show the dog in the regular group and Best In Show competitions.

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled group.
- If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed/Variety.
- If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed/Variety.
- If the Best of Winners is eligible, the other Winner is ineligible since it was defeated.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring.

The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed or in Best of Winners competition.

*\*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.*

### Non-Regular Classes Involving Single Dog Entries

VETERAN DOG	VETERAN BITCH
-------------	---------------

*A class for Dogs and a class for Bitches, 7 years of age and older. Dogs/bitches entered in Veterans must be intact. Winners, if otherwise undefeated, are eligible for Best of Breed competition.*

**BEST OF BREED (VARIETY) COMPETITION** – The following categories of dogs may be entered and shown in Best of Breed (Variety) Competition: Dogs that are Champions of Record and dogs which according to their owner's records, have completed the requirements for a championship, but whose championships are unconfirmed. The showing of unconfirmed champions in Best of Breed (Variety) Competition is limited to a period of 90 days from the date of the show where the dog completed the requirements for a championship. Selects, if applicable, will be chosen following Best of Breed.

### Non-Regular Classes Involving Multiple Dog Entries

*Note: As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won the class.* Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

**Stud Dog Class:** For Stud Dogs and their Get. Stud Dog must be entered in the Stud Dog Class and must be shown in the ring with their Get. The owner of the Stud Dog need not necessarily be owner of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Get must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

**Brood Bitch Class:** Same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

**Brace Class:** Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."

**The above classification is provided for all breeds (and varieties). Additional divisions, i.e. (age, color or weight) are in the breed list and must be indicated on the entry.**
