Feed *your* breed.

Feeding Purina® supports the future of your breed.

*F*eeding high-quality nutrition every day can help support a strong, healthy future not only for your dogs, but for your entire breed. As a Purina® Pro Club® member, each time you send in weight circles for participating Purina brand dog foods, Purina will donate 10% of the value to help the future of your breed. Since 2002, the Purina Parent Club Partnership program has raised more than \$5 million to support canine health research, education and rescue efforts.

Welcome!

Only dogs entered in these events will be admitted into the show grounds.

THE OLYMPIC KENNEL CLUB

Come and be a part of one of the Northwest's great traditions. The Olympic Kennel Club was founded in 1944. Now in its 72nd year, we have expanded beyond the All-Breed dog shows to produce a Four-Day Extravaganza, which includes many other dog-related events – such as Dock Diving, Barn Hunt and Lure Coursing. On Thursday and Friday, we host more than 30 specialty shows, three Group shows, and a cluster Obedience Trial. Saturday and Sunday, more than 2,000 dogs each day will compete for Best in Show awards. More than 11,000 canine enthusiasts will attend this four-day event. **Visit our web site: www.olympickennelclub.com**

AKC is coming to our show! Be sure to visit their booth.

AKC Dog Clubs In Washington

There are nearly 5000 dog clubs in the United States that hold affiliated events under the umbrella of the AKC for competition by AKC registered dogs. Some are national parent clubs, others local specialty clubs, and still others are devoted to a broad variety of events from agility to obedience and tracking, from field trials to lure coursing and herding tests and trials. Clubs meet monthly, bi-monthly, and some more infrequently. All were formed by a diverse group of dog lovers who share the common interest of raising, training, breeding and competing with purebred dogs. These clubs not only further the sport of purebred dogs, but also many strive to promote and protect dogs in their communities, share in educational programs, sponsor training classes and health clinics, and operate a rescue network, as well as responsible breeder locator service.

ON-Site Events in Brief

AGILITY

Agility blends training and athletic ability, creating challenge and excitement for every breed. Dogs demonstrate their ability to negotiate a complex course that includes climbing an Aframe, jumping through hoops, running through tunnels and pausing on command. Competing in agility requires proper training, as it is a game of physical skill, control, patience and, most of all, teamwork between a handler and dog.

OBEDIENCE

Obedience trials promote better canine-human companionship by encouraging basic good behavior in dogs. Obedience competitions test a dog's ability to perform a prescribed set of exercises. Competing in obedience requires preparation, as it is a game of control, patience and teamwork between a handler and dog.

RALLY®

Rally is a sport in which the dog and handler complete a course that has been designed by the rally judge. The judge tells the handler to begin, and the dog and handler proceed at their own pace through a course of designated stations (10 - 20, depending on the level). Each of these stations has a sign providing instructions regarding the next skill that is to be performed. Scoring is not as rigorous as traditional obedience.

CONFORMATION

Dog shows celebrate and help preserve the distinctive features of different breeds and provide a forum in which dogs are evaluated for future breeding programs. Handlers enter the show ring with their dogs so judges can evaluate the dogs' conformation, or how closely their physical structure conforms to their particular breeds' standards (detailed descriptions of each breed).

JUNIOR SHOWMANSHIP

Junior Showmanship offers children between the ages of 10 and 18 years of age an opportunity to develop their handling skills, learn about good sportsmanship and learn about dogs and dog shows. Juniors are judged on their ability to present, or handle, their dogs as they would in the breed ring. Juniors may also gain recognition in performance and field events such as obedience, agility, earthdog and lure coursing.

LURE COURSING

Lure coursing is a system of mechanized lures and pulleys that simulate the unpredictability of chasing live prey. Dogs of eligible breeds—sighthounds—are evaluated for follow, speed, agility, endurance, and overall ability as they pursue an artificial lure zigzagging across an open field.

BARN HUNT

Barn Hunt is based on the traditional roles of many breeds in ridding farms, barns, crop storage areas, and homes of destructive vermin. Some breeds were specifically created to fill this role, and for many of those breeds, Barn Hunt provides their first true opportunity for responsible breeders to test proper working traits in their dogs.

DISC DOG COMPETITION

\$10 PER GAME –NO FLEXI-LEADS

Each team will be allowed 3discs.
And have 60secs
to showcase your dogs freestyle skills!

Any dog safe disc is allowed.

In place of scoring,
Judges will watch and take notes,
You will recieve a written card with
training tips and tricks,
to improve or excel your freestyle.
This is a very valuable tool.

Each team will attempt to complete **two** throws/catches **past** the 45ft line, in the shortest amount of time possible.

There are no side-boundary lines. A maximum time of one minute will be permitted. The dog must start behind the throwing line before time starts. The line judge (with a stopwatch) will say "Go!" indicating that time has begun. Teams may send their canines downfield, or throw, anytime after the start signal.

The thrower must remain behind the throwing line for all throws, but may move freely around the field at other times. A foot faults will not be scored.

Time will stop when the canine crosses back over the start/finish line in possession of the disc. However, if the canine drops the disc in front of the finish line, the thrower may retrieve the disc and time will stop when the disc crosses the finish line. The fastest canine/thrower team with two successful catches wins.
