NON-REGULAR (ADDITIONAL) CLASSES Involving Multiple Dog Entries

As the judge's decision in the Non-Regular Classes involving Multiple Dog Entries is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won these classes.

Stud Dog Class: For Stud Dogs and two of their Get. Stud Dog must be entered in the Stud Dog Class and must be shown in the ring with their Get. The owner of the Stud Dog need not necessarily be owner of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Get must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

Brood Bitch Class: For Brood Bitches and two of their Produce. Brood Bitch must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. Owner of the Brood Bitch need not necessarily be owner of Produce. While the merits of the Brood Bitch are not to be considered in the placement of the entry, the Brood Bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Produce must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

Brace Class: Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." Following Judging of the National Specialty Classes

The Breeders Class is an AKC "Special Attraction" established to showcase successful breeders, and is offered only at independent specialty shows. This event is unique in that the entry must be made by the Breeder or Co-Breeder. The basis for the judging in this class is the consistency and superior quality of the breeder's entry, a group of from 3 to 5 dogs per unit. It will be judged as the very last event of the National Specialty, following non-regular classes. **Entry Fee: \$25.00 per unit.** Mail payment for this with the Breeders Class Entry Form.

Eligibility & Instructions

Entries for other Regular & Non-Regular classes at the Specialty should be made on Official AKC Entry form. Dogs who are entered in the unit but who are **NOT** entered in another regular or non-regular class at this show will prevent the entire **UNIT** from being shown.
2. Neutered and Spayed French Bulldogs **ARE** eligible to be entered in this unit, but must then be entered in the Specialty in the only other classes that permit this (Veteran, Stud Dog & Brood Bitch).
3. All dogs presented will be judged by the AKC Breed Standard for French Bulldogs.
4. Each dog entered in the unit must have its own handler, who may, but need not, be the owner of the dog.
5. Dogs may be entered in **ONE** unit only.
6. The Breeder must be present to accept an award but is not required to handle any entrant.
7. The 3-5 French Bulldogs comprising each entry must have **ONE** breeder or co-breeder in common for each dog entered in the unit.
8. Unit entries must be made on the Breeders Class Entry Form.
9. The unit must represent dogs produced by at least two different combinations of parents, and no more than two dogs from a given combination of parents shall have identical parentage; i.e., no three dogs shall be full siblings.
10. The Breeder may, but need not be, the current owner of any of the dogs.
11. The entry must be made by the Breeder who is competing who must also complete the accompanying 'Agreement' on page 18.
