## USE OF RAMPS – ALL BREEDS

A judge requesting the use of a ramp must give notice to the show superintendent/show secretary prior to judging. AKC approval is not required. The entire entry in a breed is to be examined in the same manner (ground, table, or ramp).

At the discretion of the judge, the following breeds may be judged on the ground or on a ramp through all levels of competition including Group and Best in Show judging: Lagotto Romagnolo, American Water Spaniels, Clumber Spaniels, English Springer Spaniels, Field Spaniels, Welsh Springer Spaniels, Cirneco dell'Etnas, American Staffordshire Terriers, Irish Terriers, Kerry Blue Terriers, Soft Coated Wheaten Terriers, Staffordshire Bull Terriers, Finnish Spitz, Keeshonden, Norwegian Buhunds, Polish Lowland Sheepdogs, Spanish Water Dogs, and Norrbottenspets (Misc.).

At the discretion of the judge through all levels of competition including Group and Best in Show judging, the following breeds may be judged on the ground, a ramp, or on a table: Boykin Spaniels and Whippets.

The following breeds must be judged on a ramp through all levels of conformation competition: Sussex Spaniels, Basset Hounds, Bulldogs, Chinese Shar-Pei and Chow Chows. This extends to all conformation competition at AKC conformation dog shows and any AKC event where a conformation title may be earned. This policy includes Group, BIS, Junior Showmanship, the 4–6 Month Beginner Puppy Competition, the AKC National Owner-Handled Series (NOHS), and all other special attractions that offer Group and BIS competitions. Ramps can be used in emergency situation to judge any breed.

In an emergency situation, where use of a ramp is not indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund. For the judging of juniors the ramp may be used at the discretion of the judge for the ramp optional breeds. (03/2017)

## JUNIOR SHOWMANSHIP COMPETITION

**NOVICE CLASS:** For boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show.

**OPEN CLASS:** For boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 90 days from the date of the show where the Junior completed the requirements according to their records.

**MASTER CLASS:** This class will be for boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

**NOVICE AND OPEN CLASS DIVIDED:** Junior-9 years old and under 12 years old on the day of the show; Intermediate-12 years old and under 15 years old on the day of the show; Senior-15 years old and under 18 years old on the day of the show.

**After the judge has awarded the Best Junior Handler, the second place winner from the class that the Junior was awarded Best Junior Handler is to return to the ring to compete for Reserve Best Junior Handler.**

**NOTICE:** Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC, Judges Education Department, 919-233-9767. BE SURE ALL INFORMATION for Junior Showmanship Classes is entered on front and back of entry form.

**NOTE: SUBSTITUTION OF DOG IN JUNIOR SHOWMANSHIP AT THE SHOW(S):** There will be an Administration Fee of \$5.00 charged for any substitution of dog in Junior Showmanship at each show. In addition, if the dog originally entered in Jr. Showmanship was an additional entry, and the dog being substituted is not otherwise entered in the show, the Junior Showmanship Only fee applies.

## AKC NATIONAL OWNER-HANDLED SERIES

*The purpose of the AKC National Owner-Handled Series (NOHS) is to recognize and showcase the quality dogs being exhibited by owner/handlers and to provide a venue for the owner/handlers to compete against their peers. The determination of the awards in the AKC National Owner-Handled Series is based solely on the quality of the entry. The owner/handler's handling ability is not of consideration.*

- Dog must be marked as eligible to compete in the AKC NOHS prior to the closing of entries. There is no additional fee to enter this competition.
- Dogs must be handled by an eligible owner/handler for the AKC NOHS throughout the breed level (all classes, Winners, and Best of Breed) competition. Additionally, dogs must be handled by an eligible owner/handler for all AKC National Owner-Handled Series competition (Group and Best in Show). Any person may exhibit the dog in the regular Group and Best in Show competitions.
- Exhibitors must declare their dog AKC National Owner-Handled Series eligible at the time of entry using the check box on the entry form. The handler must be an owner of record according to the AKC's records as of the date of the show. Dogs declared eligible will be identified by an asterisk or other representative mark in the judge's book, steward's book, and the show catalog.
- \*Professional handlers, household members and current assistants to professional handlers may not exhibit.
- The Owner-Handled Best of Breed will be selected from the eligible dogs that competed in the Best of Breed/Variety competition for the regular show. This includes Winners Dog, Winners Bitch, and the undefeated winners of the non-regular classes. This excludes all dogs defeated during class and winners competition for the regular show.

*\*Professional handler is defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. Eligibility restrictions apply to all members of the same household. Household members and current assistants to professional handlers in conformation are not eligible to exhibit in this competition. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any show during the cluster/weekend. Eligibility restrictions apply to all members of the same household.*

-------------	---------------

*A class for Dogs and a class for Bitches, 7 years of age and older. Dogs/bitches entered in Veterans must be intact. Winners, if otherwise undefeated, are eligible for Best of Breed competition.*

**Veteran Class Divisions, offered for Bullmastiffs only on Saturday:** Veteran Dog & Veteran Bitch, 6 yrs. & under 8 yrs.; Veteran Dog & Veteran Bitch, 8 yrs. & under 9 yrs.; Veteran Dog & Veteran Bitch, 9 years & Older.

**BEST OF BREED (VARIETY) COMPETITION** – The following categories of dogs may be entered and shown in Best of Breed (Variety) Competition: Dogs that are Champions of Record and dogs which according to their owner's records, have completed the requirements for a championship, but whose championships are unconfirmed. The showing of unconfirmed champions in Best of Breed (Variety) Competition is limited to a period of 90 days from the date of the show where the dog completed the requirements for a championship. Selects, if applicable, will be chosen following Best of Breed.

### Non-Regular Classes Involving Multiple Dog Entries

*Note: Non-regular classes involving multiple entries may be judged before or after Best of Breed. As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.*

**Stud Dog Class and Brood Bitch Class:** Each entry is allowed two get unless otherwise specified. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get that forms the basis for the judge's decision. All get must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get must be entered in a regular class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get being exhibited, must wear armbands. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

**Brace Class:** Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."

**The above classification is provided for all breeds (and varieties). Additional divisions, i.e. (age, color or weight) are in the breed list and must be indicated on the entry.**
