Owner-Handled Best of Variety will be selected from the dogs that are eligible to compete in the Best of Variety competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Variety.

Canine Genetic Testing, Breed Management, and Discovery in the Age of Personalized Genomics

Erin Chu, DVM, PhD, a Senior Veterinary Geneticist at Embark Veterinary, will discuss canine genes, genetic research, and their impact on dog breeders and fanciers. Her presentation will include information on using DNA testing to determine inheritable physical traits, and genetic risk factors for an ever-increasing number of Beagle-relevant diseases. Understanding how to use this knowledge is important to the breeder for their individual programs and to the breed as a whole if we are to maintain breed vitality and diversity.

Embark has made a generous contribution to significantly subsidize the cost of the light supper that will be offered at this seminar. For more information and to purchase the light supper, see <http://www.nbcspecialty.com/home/2018-embark/>. **Deadline for all food purchases is September 15.** People do not have to purchase the light supper to attend the seminar.

AMBRNET AUCTION & MICROBREW TASTING

The most entertaining night of the National! Join us for AMBRNET'S biggest fundraiser of the year and help Beagles in need! The need for funds continues to grow each year, and your generous donations to AMBRNET make it possible for us to provide funding to our approved rescue partners for spays, neuters and heartworm treatment. This year we will have our live auction which will include CWBC's hosting of the 2nd annual "Wall of Wine" fundraiser. CWBC will also start the evening with a beer tasting of some of Portland's best and most famous microbreweries: Hair of the Dog, Lucky Labrador, and Bridgeport. During dinner, the Wall of Wine participants will be able to choose a bottle of wine as their number is called, and the evening will be topped off with our premier event, the live auction. Tickets for the beer tasting, \$10, and dinner, \$30, may be purchased through the 2018 NBC Specialty website. Bottles of wine purchased may not be opened at this event. After expenses are met, CWBC will donate any proceeds from the microbrew tasting and the dinner to AMBRNET. Purchase of dinner or beer tasting is not needed to attend the live auction.

Please bring items to donate for our silent and live auction. Because of Oregon liquor laws, bottles of wine for the "Wall of Wine" must be donated to the Columbia-Willamette Beagle Club who will then donate all proceeds to AMBRNET. If you are unable to attend but would like to support Beagle rescue, items may be sent to: Judy Eckhart, 27497 S Skinner Road, Estacada, OR 97023. Thank you for your continued support, allowing AMBRNET to continue to help Beagles in need. To purchase the light supper and tickets for the microbrew tasting, go to <http://www.nbcspecialty.com/home/2018-order/>. **Deadline for all food purchases is September 15.**

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companionship. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
