SEXUALLY ALTERED CLASS DOGS SEXUALLY ALTERED CLASS BITCHES

A class for Neutered Dogs and a class for Spayed Bitches. Class will be judged following Best of Breed competition. Winners of these classes are not eligible for Best of Breed Competition.

Non-Regular Classes (Involving multiple dog entries)

STUD DOG CLASS: For Stud Dogs and two of their get. Stud Dogs must be entered in the Stud Dog Class and must be shown in the ring with their Get. The owner of the Stud Dog need not necessarily be owner of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Get must be entered in a regular class, Best of Breed competition, or some other non-regular class.

BROOD BITCH CLASS: For Brood Bitches and two of their Produce. Brood Bitches must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. The owner of the Brood Bitch need not necessarily be owner of the Produce. While the merits of the Brood Bitch are not to be considered in the placement of the entry, the Brood Bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Produce must be entered in a regular class, Best of Breed competition, or some other non-regular class.

ENTRY FEE of \$25.00 will be charged for each UNIT (Stud Dog and two get or Brood Bitch and two produce) in addition to the entry fee for the regular classes.

NOTE: As the judge's decision in the Stud Dog and Brood Bitch Classes is based on the merits of more than one dog/bitch, no one of the dogs/bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won this class.

BEST OF BREED COMPETITION

The following categories of dogs may be entered and shown in Best of Breed Competition: dogs that are Champions of Record and dogs according to their owners' records have completed the requirements for a Championship but whose Championships are unconfirmed. The showing of dogs whose Championships

are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a Championship according to the owners' records.

SEXUALLY ALTERED CLASS DOGS SEXUALLY ALTERED CLASS BITCHES

A class for Neutered Dogs and a class for Spayed Bitches. Class will be judged following Best of Breed competition. Winners of these classes are not eligible for Best of Breed Competition.

Non-Regular Classes (Involving multiple dog entries)

STUD DOG CLASS: For Stud Dogs and two of their get. Stud Dogs must be entered in the Stud Dog Class and must be shown in the ring with their Get. The owner of the Stud Dog need not necessarily be owner of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Get must be entered in a regular class, Best of Breed competition, or some other non-regular class.

BROOD BITCH CLASS: For Brood Bitches and two of their Produce. Brood Bitches must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. The owner of the Brood Bitch need not necessarily be owner of the Produce. While the merits of the Brood Bitch are not to be considered in the placement of the entry, the Brood Bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Produce must be entered in a regular class, Best of Breed competition, or some other non-regular class.

ENTRY FEE of \$25.00 will be charged for each UNIT (Stud Dog and two get or Brood Bitch and two produce) in addition to the entry fee for the regular classes.

BRACE CLASS: Two Bearded Collies that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner. The Dogs comprising a Brace **MUST** be named at the time of entry. In making entries for "Brace Class Only" full particulars **MUST** be given for each dog on individual entry forms. An entry form for a dog entered in a Regular Class or for "Best of Breed Competition" and entered as part of a Brace **MUST** be marked accordingly in the space provided for Additional Classes, "Brace Class." If more than one Brace is entered by same owner, dogs comprising **EACH BRACE** must be designated "Brace No. 1," "Brace No. 2," etc.

NOTE: As the judge's decision in the Stud Dog, Brood Bitch and Brace Classes is based on the merits of more than one dog/bitch, no one of the dogs/bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won this class.

A recording fee of \$3.00 per entry will be required for each dog entered at any Licensed or Member Club Herding Test/Trial. This Recording Fee is to be collected by the trial-giving Club and paid to the American Kennel Club.

No refund for duplicate entries. Every effort will be made to find all duplicate entries, but if an entry has been processed, no refund will be made.

Entries must be received at the Trial Secretary's Address by the published closing date to be acceptable, and may not be changed, substituted, corrected, signed, or canceled after that time except as provided in Chapter 3, Section 1, of the General Regulations for Herding Tests and Trials. Incomplete, unsigned, conditional, telephone, telegraph, or entries received without fees are not acceptable. RETURNED CHECKS do not constitute a valid entry fee. No entry shall be made and no entry shall be accepted which specifies any condition as to its acceptance.

Entry fees will not be refunded in the event that a dog is absent, disqualified, excused by veterinarian, judge, or tester or barred from competition by action of the Trial Committee. Exhibitors must be governed by any rules or regulations of civil authority, building and parking restrictions. Vehicles parked contrary to regulations will be subject to towing at the owner's expense.

This Club does not agree to arbitrate claims set forth on the Official AKC form for this event.

Only dogs eligible to be entered at this Test/Trial will be allowed within the Test/Trial limits except that testers/judges may use a trained backup dog in settling or controlling the stock.

Entries for Herding Tests and/or Trials shall be accepted until the official closing date and time. All additional entries that are received prior to the closing

date will be added to an alternates list for each class that exceeds the published limit(s). Entries shall be added to their respective alternates list in the order that they are received and published in the catalog. No entries shall be added after the closing time and date specified in the premium list.

The Trial Secretary shall notify all entrants of their position on the alternates list at the time that the Trial program is mailed to each entrant. Those alternates that do not run or do not have the opportunity to run shall have their entry fees returned.

The alternates list shall be used to fill vacancies that occur in the drawn running order, with the first available alternate entry replacing the first vacancy in the class entered. **ENTRANTS ON THE ALTERNATES LIST MUST CHECK IN WITH THE TRIAL SECRETARY ON THE GROUNDS NO LATER THAN 30 MINUTES BEFORE THE COMMENCEMENT OF THEIR CLASS.**

The running order for all test and trial classes shall be established by a random drawing, open to all who wish to attend, to be conducted at the time and place specified in the premium list for closing and drawing of entries. Dogs handled by the same person in a class shall be separated by one or more dogs whenever possible. The Trial Secretary or Trial Chairperson shall officiate over the drawing.

The American Kennel Club will issue a Herding Tested (Pre-Trial Test) certificate to an eligible dog, and will permit the use of the letters HT (PT) after the name of the dog that has been certified by two different judges to have qualified by passing two licensed or member club Herding Tests (Pre-Trial Tests).

The American Kennel Club will issue a Herding Started (Herding Intermediate) [Herding Excellent] certificate for an eligible dog, and will identify the titlist by the use of the letters HS (HI) [HX] after the name of the dog in all official AKC records, once the dog has been certified by three different judges to have received qualifying scores in Started (Intermediate) [Advanced] classes at three licensed or member herding trials.

Until specified otherwise in the Herding Regulations, the requirements that a dog must earn a title in order to enter the next highest class are waived. An owner may enter a dog in any trial class he or she deems appropriate. However, once a dog has acquired a qualifying score in an upper class at a licensed or member trial, it shall be ineligible for entry in any lower class.

REMEMBER: You must make out a SEPARATE ENTRY BLANK for EACH CLASS for EACH DOG. Entries must be on the enclosed entry blank or a reasonable facsimile thereof.

No entries shall be added after the closing time and date specified in the premium list.

The Trial Secretary shall notify all entrants of their position on the alternates list at the time that the Trial program is mailed to each entrant. Those alternates that do not run or do not have the opportunity to run shall have their entry fees returned.

The alternates list shall be used to fill vacancies that occur in the drawn running order, with the first available alternate entry replacing the first vacancy in the class entered. **ENTRANTS ON THE ALTERNATES LIST MUST CHECK IN WITH THE TRIAL SECRETARY ON THE GROUNDS NO LATER THAN 30 MINUTES BEFORE THE COMMENCEMENT OF THEIR CLASS.**

The running order for all test and trial classes shall be established by a random drawing, open to all who wish to attend, to be conducted at the time and place specified in the premium list for closing and drawing of entries. Dogs handled by the same person in a class shall be separated by one or more dogs whenever possible. The Trial Secretary or Trial Chairperson shall officiate over the drawing.

The American Kennel Club will issue a Herding Tested (Pre-Trial Test) certificate to an eligible dog, and will permit the use of the letters HT (PT) after the name of the dog that has been certified by two different judges to have qualified by passing two licensed or member club Herding Tests (Pre-Trial Tests).

The American Kennel Club will issue a Herding Started (Herding Intermediate) [Herding Excellent] certificate for an eligible dog, and will identify the titlist by the use of the letters HS (HI) [HX] after the name of the dog in all official AKC records, once the dog has been certified by three different judges to have received qualifying scores in Started (Intermediate) [Advanced] classes at three licensed or member herding trials.

Until specified otherwise in the Herding Regulations, the requirements that a dog must earn a title in order to enter the next highest class are waived. An owner may enter a dog in any trial class he or she deems appropriate. However, once a dog has acquired a qualifying score in an upper class at a licensed or member trial, it shall be ineligible for entry in any lower class.

REMEMBER: You must make out a SEPARATE ENTRY BLANK for EACH CLASS for EACH DOG. Entries must be on the enclosed entry blank or a reasonable facsimile thereof.

Handlers may opt to enter in a higher height division for all *Regular* titling classes, but not in a division lower than their proper height division.

Dogs entered in the *Preferred* classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. The Judge's measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

All Beardies will jump at 16” for the Relay.**Boxed Pairs**

According to the 2nd Edition of The Clean Run Book of Agility Games by Bud Houston, here is the briefing for Boxed Pairs:

“The Boxed Pairs course is divided into two separate sequences. One dog will be designated to run the first sequence and the other dog the second sequence. Handlers are required to carry and exchange a baton. The first handler can choose to lead out or start with the dog. The second handler is not allowed to lead out. While performing the exchange, both dogs and handlers must be in the exchange box. Failure to do so results in a disqualification for passing out of the zone.

Both handlers should become familiar with both parts of the course.

If the first dog faults an obstacle, that team must return to the exchange box, exchange the baton, and the second tem continues the course beginning with the obstacle at which the first dog made the error. The second dog continues on until he has run the first half of the course. Should the second dog fault any obstacle, that team must return to the exchange box and again exchange the baton. The alternate team must then resume the course from the point of the fault.

When the first half of the course has been successfully run, a scheduled exchange of the baton takes place. The relay continues as in a standard relay with the second side of the course, except that faults force baton exchanges in the exchange box.

Every time an obstacle is faulted, the judge will signal the handlers to change places.

The active dog (the dog that is supposed to be running at any time) will be faulted for taking an obstacle out of sequence. If the exchange dog performs an obstacle on the way to the obstacle faulted by the other team, that dog, too, is called for a fault and must immediately return to the exchange area to hand off the baton to the other team. The inactive dog may perform any obstacle going back to the box.”
