Any and all donations are greatly appreciated. More unique/expensive items for the auction should be photographed, if possible, and sent to the committee for publication in ALAC Online. Please contact Fran Strayer at fstrayer@aol.com, 303-881-6675, or Sandy Devlin at slhasa28@gmail.com, 505-280-8297, to let us know what you will be sending or bringing. AKC NATIONAL OWNER-HANDLED SERIES – ALL THREE SPECIALTIES

This is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. All dogs that are owner-handled and are not solely owned or exhibited by professional handlers* meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog.

Dogs must be handled throughout the breed level competition for the regular show by an eligible owner*. Professional handlers, household members and assistants to current professional handlers may not exhibit the dog in any breed competition during the entire show.

**Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay or received payment for handling a dog within the last five years.*

Entries into the Amateur-Owner-Handler class are automatically entered into the AKC NOHS and do not have to check the box on the entry form.

DON'T FORGET TO CHECK THE OWNER-HANDLED BOX ON THE ENTRY FORM IF ENTERING THIS COMPETITION.

Veteran Dogs, 10 Yrs. & Older	Veteran Bitches, 10 Yrs. & Older

Spayed and neutered animals may be entered and shown in Veteran Classes at specialty shows. Winners of the Veterans Classes may also compete for Best of Breed Competition, provided that they are undefeated in any Regular Class at this show.

Non-Regular Classes (Involving multiple dog entries)

Note: Non-regular classes involving multiple entries may be judged before or after Best of Breed. As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.

Stud Dog Class and Brood Bitch Class: Each entry is allowed a minimum of two and no more than six of their Get. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get that forms the basis for the judge's decision. All get must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get must be entered in a regular class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get being exhibited, must wear armbands. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

Brace Class: Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."

BEST PUPPY FROM THE REGULAR PUPPY CLASSES

Best Puppy from the Regular Puppy Classes will be awarded from the First Place winners in the Regular Puppy Classes (6-9 & 9-12) ONLY immediately following each breed. If the Best of Breed or Best of Winners is awarded to a dog/bitch coming from the Regular Puppy Classes (6-9 & 9-12), the Best Puppy from the Regular Puppy Classes win is automatic.

BEST BRED BY EXHIBITOR

Best Bred By Exhibitor will be awarded from the First Place winners in the Bred By Exhibitor Classes ONLY immediately following each breed. If the Best of Breed or Best of Winners is awarded to a dog/bitch coming from the Bred By Exhibitor Class for that breed, the Best Bred By Exhibitor win is automatic.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
