CANINE DNA COLLECTION DRIVE

The Golden Retriever Foundation needs Canine and Human volunteers at the National Specialty to help with the DNA collection and paperwork.

The Golden Retriever Foundation, GRCA, The Broad Institute, and OFA need Canine volunteers for the National Specialty Canine DNA Drive. Cheek Swab and/or blood samples are needed to populate OFA's DNA database. Blood samples submitted to The Broad Institute will be used for research in cancer and hereditary diseases.

The Golden Retriever Foundation has authorized funding to pay for the OFA submission fee for Golden Retriever samples collected at "mass collection clinics". Through this grant from GRF, there will be no fee to the owners for submitting blood or cheek swab samples. There is no charge to donate blood to The Broad Institute.

A booth will be set up in the main show site, vendor area, on Tuesday, September 28, from noon to 4PM, and on Wednesday and Thursday, Sept. 29-30 from 9AM to 4PM. In addition, we will be setting up during some of the Field events to encourage dogs entered in those events to participate.

Veterinarians, Technicians, dog holders, paperwork specialists and people to label samples are all needed for this continuing effort. We will be teaming up with the Orthopedic Foundation for Animals and volunteers from the Broad Institute for this effort. We will also be collecting samples for Optigen's PRA testing.

**** Special requests **** The Broad Institute would like to update any dogs that have previously submitted samples. They also need samples from any dog with cancer and/or hereditary disease. These samples are of the utmost importance as are those from healthy dogs over 5 years of age without cancer or hereditary disease.

Anyone able to help or willing to donate blood or cheek swabs from their dog is urged to contact Mike Lappin at anidoc@intercape.com to let him know. You may download and print consent forms, to bring with you, from the Golden Retriever Foundation web site.

Even if you can donate one hour of your time you will be assisting with this valuable research tool.

You and your dog can make a difference.

The entry and showing of dogs whose championships are unconfirmed is limited to a period of 90 days from the date of the show where the dog completed the requirements for a championship according to the owner's records. If, at the end of the 90-day period, the championship of a dog has not been confirmed by AKC, no further entries of the dog for Best of Breed competition are to be made until its championship has been confirmed by AKC. Dogs which according to their owner's records have completed the requirements for a championship after the closing of entries for the show, but whose championships are unconfirmed, may be transferred from one of the regular classes to the Best of Breed competition, provided this transfer is made by the Show Superintendent at least one-half hour prior to the start of judging at the show.

SELECT DOG & SELECT BITCH: GRAND CHAMPION COMPETITION – The following categories of dogs are entered in this competition: 1. ***STUD DOG CLASS:** For Stud Dogs and two of their Get. Stud dog must be entered in the Stud Dog Class and shown in the ring with their Get. Judging will be based on the merits of the Get.

***BROOD BITCH CLASS:** Same as Stud Dog Class except substitute Brood Bitch for Stud Dog and Produce for Get.

**Chapter 11, Section 8 of the "Rules Applying to Dog Shows" provides that a neutered male may be entered as a Stud Dog in the Stud Dog Class and a spayed Bitch may be entered as a Brood Bitch in the Brood Bitch class.*

NOTE: As the judge's decision in the Stud Dog and Brood Bitch Class is based on the merits of more than one dog/bitch, not one of the dogs/bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won this class.

JUNIOR SHOWMANSHIP

Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC Judges Education Department, (919) 816-3776.

Each dog handled in a regular Junior Showmanship Class must be entered in one of the breed or obedience classes at the show, or must be entered for Junior Showmanship only. However, a dog that must be withdrawn for good and sufficient reason, such as a bitch in season or a veterinarian's excuse, may be replaced by another dog meeting the below ownership requirements. Such substitution must be requested in writing stating the reason for the substitution and must be accompanied by an official AKC entry form. All such requests must be made one-half hour prior to the judging of any regular classes at the show. Each dog must be owned by the Junior Handler, or by the Junior Handler's father, mother, brother, sister, uncle, aunt, grandfather or grandmother, including the corresponding step- and half-relations, or by a member of the Junior Handler's household. Every dog entered for Junior Showmanship must be eligible to compete in Dog Show or Obedience Trials. BITCHES IN SEASON ARE NOT ELIGIBLE. At a Specialty Show, each dog must be of the breed for which the show is held.

A dog that has been excused or disqualified by a breed judge or by a Bench Show Committee may still be handled in Junior Showmanship, if eligible to compete in Obedience Trials. A dog that has been rejected, dismissed or excused under the Dog Show Rules for the protection of the other dogs at the show or for the protection of the dog excused, may not be handled in Junior Showmanship.

SWEEPSTAKES & VETERAN SWEEPSTAKES

Wednesday, September 29, 2010

Sweepstakes & Veteran Sweepstakes Dogs, Best in Veteran Sweepstakes..... Teri Poetker
 Sweepstakes & Veteran Sweepstakes Bitches, Best in Sweepstakes Carol Hoare

GRCA SWEEPSTAKES GUIDELINES

The mission of the GRCA Sweepstakes is to provide a competition where breeders and owners can showcase their puppies and veterans. It was established to encourage owner/handlers to show their own dogs and to share the results of their breeding program, the potential of their young dogs and the longevity and structural soundness of their veterans with other breeders and exhibitors.

HANDLER: The handler of a Sweepstakes exhibit must be either the owner, co-owner, breeder or member of their immediate family as they are listed on file with the American Kennel Club as of the closing date for the show for which the Sweepstakes entry is being made. Immediate family is defined as husband, wife, mother, father, brother, sister, son, daughter or legal domestic partner. Step children and legal wards are also included in this definition. In-laws and grandchildren are not considered to be immediate family members. No other individual may take the entry into the ring during judging or check-in.

The following individuals are excluded from showing an exhibit in sweepstakes unless they are the sole owner registered with the AKC or co-own the entry with a member of their immediate family (as defined above) or a legal domestic partner:

- Any individual listed as an agent on any dog in any regular or non-regular class at this or any other show in the previous two years.
- Any individual with an Agent number including, but not limited to an AKC Registered Handler Number or Professional Handlers Association (PHA) number.

To avoid confusion or question, it is recommended that a photocopy of the registration certificate be included with the entry for a co-owned exhibit.

Disabled or physically challenged handlers are encouraged to show their own dogs and every effort will be made to accommodate them. Some things which might be done to assist them are: making sure the ring gate opening is wide enough for a wheel chair; making sure the surface is as level and smooth as possible; placing slower handlers at the end of the line or having them gait their dogs together; allowing someone else to push an exhibitor's wheelchair, providing they do not handle the dog; making sure stewards and judges face a handler who is hearing impaired when speaking to them; permitting the use of crutches or canes.

Best in Sweepstakes Classes. It is required that the same person who showed the dog to a first place in a Sweepstakes class will also show the dog in the Best in Sweeps class. However, if that person should have more than one dog in the Best in Sweepstakes class, someone else is permitted to show the additional winner. That person should meet the handler definitions above. Only in cases where there is not another owner, co-owner, breeder, co-breeder or immediate family member available, should another person take the dog into the Best in Sweeps class. It is understood that there would be no financial benefit to that individual. Individuals who have an AKC Handler number, a PHA number or are listed as agent on any dog in the regular or non-regular classes may not show a sweepstakes entrant unless they are the sole owner registered with the AKC or co-own the entry with a member of their immediate family (as defined above) or a legal domestic partner.
