RALLY NOVICE & RALLY ADVANCED

The purpose of the Rally Style Obedience concept is to create an obedience program that emphasizes fun and excitement for the dog, the handler, and spectators, by providing a more "natural" approach to the performance. The ability to work as a team in this way during a Rally Style Obedience performance portrays a more natural working situation that greatly adds to the handler's ability to maintain the dog's attention and attitude at a high level. In Rally classes, the team of dog and handler move continuously and perform the exercises indicated by a sign at each location. After the Judge's "Forward" command, the team is on its own to complete the entire sequence correctly. Unlimited communication from the handler to the dog between signs is to be encouraged and not penalized.

What is permitted: Handlers are permitted to talk, praise, encourage, clap their hands, pat their legs, or any verbal means of encouragement.

What is not permitted: Handlers may not touch their dog or make corrections with the leash.

RALLY NOVICE CLASS. All exercises are performed on leash, with 10 to 15 stations.

RALLY ADVANCE CLASS. All exercises are performed off leash with 12 to 17 stations. One jump is included.

Height of dog at the withers	Height to be jumped
less than 15"	8"
