## ***ADDITIONAL NOTICES***

---

Portuguese Water Dog Exhibitors and Fanciers have an excellent history of maintaining their Specialty Headquarters and Show Site in good condition. Rings, grooming areas, and hotel rooms occupied by its members are expected to be left with no damage and as clean as possible after the Specialty is over. As a measure of ensuring that this standard will be met, the following policies will be enforced during the Specialty Week:

1. No dog should be left uncrated in a hotel room in the absence of occupants at any time. Limit 4 dogs per room.
2. Dogs that constitute a nuisance to occupants of the hotel by continual barking or howling may subject their owners to being removed by the hotel.
3. There will be no grooming of dogs in hotel rooms. Grooming will be permitted only in the area set aside for that purpose.
4. NO dogs shall be washed in hotel bathtubs; and hotel towels are NOT to be used on dogs for drying them, or other grooming purposes.
5. The external and internal premises of the hotel and show site must be kept free of debris and feces caused by the presence of dogs attending the Specialty. Everyone must pick up after their dog(s).
6. The Show Committee may be called upon to inspect a room because of signs of unusual wear or damage because of the presence of a dog(s) and will enforce appropriate damage compensation to the hotel as necessary. AKC considers show hotels a part of the show site and subject to Bench Committee hearings and discipline.
7. All dogs will be on leash at all times except when competing in performance events.
8. We have a beautiful Show Site – Clean and Pristine. At the end of each day, we would like to see it the same way!
