This Weight Circle Could Help Save a Dog's Life

How can a little paper weight circle save dogs' lives? When you and your fellow breed club members participate in the Purina Parent Club Partnership (PPCP) Program through Purina's loyalty program—Purina® Pro Club®—you can save weight circles that will generate big money to fund important canine health studies, education programs and/or rescue efforts for your breed.

Some breed clubs have already earned thousands of dollars for breed-specific canine health studies. For all of us, that's important because we all know our dogs will live longer, healthier lives when we can minimize the incidence of the often life-threatening conditions now affecting so many canines.

These generous contributions for your breed club come from Purina with qualifying matching funds from the AKC Canine Health Foundation. You'll want to learn the complete details about how the PPCP Program works by calling us toll-free at 1-800-778-3375, 9 a.m. to 4 p.m. CT, Mon.-Fri.; or e-mailing us at purinappcp@purina.com. If you'd like to join Pro Club and participate in the PPCP, call toll-free 1-877-PRO-CLUB (1-877-776-2582), 7 a.m. to 5 p.m. CT, Mon.-Fri., or apply on-line at www.purinaproclub.com. If you're currently a Pro Club member, simply notify the Pro Club that you wish to participate in the PPCP Program.
