# This Weight Circle Could Help Save a Dog's Life

How can a little paper weight circle save dogs' lives? When you and your fellow breed club members participate in the Purina Parent Club Partnership (PPCP) Program through Purina's loyalty program—Purina® Pro Club®—you can save weight circles that will generate big money to fund important canine health studies, education programs and/or rescue efforts for your breed.

Some breed clubs have already earned thousands of dollars for breed-specific canine health studies. For all of us, that's important because we all know our dogs will live longer, healthier lives when we can minimize the incidence of the often life-threatening conditions now affecting so many canines.

These generous contributions for your breed club come from Purina with qualifying matching funds from the AKC Canine Health Foundation. You'll want to learn the complete details about how the PPCP Program works by calling us toll-free at 1-800-778-3375, 9 a.m. to 4 p.m. CT, Mon.-Fri.; or e-mailing us at [purinappcp@purina.com](mailto:purinappcp@purina.com). If you'd like to join Pro Club and participate in the PPCP, call toll-free 1-877-PRO-CLUB (1-877-776-2582), 7 a.m. to 5 p.m. CT, Mon.-Fri., or apply on-line at [www.purinaproclub.com](http://www.purinaproclub.com). If you're currently a Pro Club member, simply notify the Pro Club that you wish to participate in the PPCP Program.

**A Presentation on Fresh & Frozen Semen Technologies**  
**featuring Stan Carter, DVM**

Thursday April 14, 2005 3:30pm at Purina Farms Visitors Center Auditorium

Stan Carter, DVM graduated from the University of Missouri College of Veterinary Medicine in 1985. Dr. Carter spent many years in private practice as owner of All Creatures Animal Hospital, served as veterinarian in charge of Purina's research and development facility, and recently became regional medical director for Banfield, the Pet Hospital.

Dr. Carter is an avid show enthusiast, finishing more than twenty basenji champions and multiple specialty winners. He served on the National basenji board and as health chairman for more than a decade, and is past National specialty show chairman and Sweepstakes judge.

Dr. Carter has a special interest in reproduction and founded Canine Reproductive Technologies in 2001, a frozen semen collection and storage facility. New technologies such as frozen semen represent tremendous potential benefits for our future dogs, both in the show ring and for health. We can virtually stop time on the male side of the breeding equation, which greatly increases our genetic pool. Dr. Carter will present a straightforward, breeder-friendly talk on the topics of fresh and frozen semen technologies.

#### Best Puppy from the Regular Puppy Classes

(Winner of the Best Puppy in Puppy Classes is not, by right of winning this class, eligible to compete for Best of Breed)

**BEST OF BREED COMPETITION:** The following categories of dogs may be entered and shown in Best of Breed Competition: Dogs that are Champions of Record and dogs that according to their owners records have completed the requirements for a Championship but whose Championships are unconfirmed. The showing of dogs whose Championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a Championship according to the owner's records.

#### Non-Regular Classes Involving Single Dog Entries

Veteran Dogs I (7-10 Yrs.)      Veteran Bitches I (7-10 Yrs.)

*A class for dogs and a class for bitches born 4/16/95–4/15/98)*

Veteran Dogs II (10 Yrs. & Older)      Veteran Bitches II (10 Yrs. & Older)

*A class for dogs and a class for bitches born on or before 4/15/95*

(The winners of these Classes will be eligible to compete for Best of Breed) \*Chapter 11, Section 8 of the "Rules Applying to Dog Shows" provides that neutered males and spayed bitches may be entered in Veteran Classes.

#### Non-Regular Classes Involving Multiple Dog Entries

(The winners of these Classes do not become eligible to compete for Best of Breed)

**STUD DOG CLASS:** For Stud Dogs and two of their Get. Stud Dogs must be entered in the Stud Dog Class and must be shown in the ring with their Get. The owner of the Stud Dog need not necessarily be owner of the get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy or the standard for its Breed. Get must be entered in a regular class, Best of Breed competition or some other non-regular class. An entry fee of \$28.00 will be charged for the Stud Dog if he is NOT entered in one of the Regular Classes, Non-Regular Classes or for Best of Breed Competition. Entry fee for Stud Dog as an additional class is \$18.00.

**BROOD BITCH CLASS:** For Brood Bitches and two of their Produce. Same rules as Stud Dog.

**BRACE CLASS:** For two Rottweilers that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner. Dogs need not be entered in another class. Entry fee for Brace as a Unit is \$18.00. If either dog is not entered in another class, the fee for the Unit is \$28.00.

*NOTE: As the judge's decision in the Stud Dog, Brood Bitch and Brace Class is based on the merits of more than one dog/bitch, not one of the dogs/bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won this class.*

**ARC SELECT AWARDS:** All dogs eligible for the Best of Breed Competition shall be considered for these awards. At the discretion of the intersex judge, the maximum number of Select Awards that may be given shall be 10% of the Best of Breed entry, including Veterans and Winners. That 10% is in addition to the Best of Breed and Best of Opposite Sex to Best of Breed winners, with no consideration to sex. The Best of Breed and Best of Opposite Sex to Best of Breed shall be known as Select 1; all others chosen shall be known simply as Select and will be awarded The ARC Select Award and ARC commemorative Specialty medallion.

## **FUTURITY STAKE**

**Tuesday, April 12, 2005 • Location: Purina Farms**

**Judge for Futurity Dogs, Best Junior, Best Senior, Best in Futurity: Ms. Connie Fountain**

**Judge for Futurity Bitches: Ms. Elizabeth Lemmer Lucas**

**COMPLETE FUTURITY STAKE RULES FOR ELIGIBILITY – <http://www.amrottclub.org/futurityrules03.pdf>**  
THE FUTURITY STAKE IS OPEN TO ROTTWEILER BREEDERS IN GOOD STANDING WITH THE AMERICAN KENNEL CLUB. ALSO, THE FUTURITY IS OPEN ONLY TO LITTERS FROM PARENTS WHO WERE TWO YEARS OF AGE AND OFA HIP CERTIFIED PRIOR TO THE DATE THE BREEDING TOOK PLACE.

Any breeder who, having nominated a litter, fails to remain in good standing with the AKC and has not been reinstated 30 days prior to the Futurity shall lose all rights in the ARC Futurity.

The Futurity Stake is entered by nominating the litter. The get from this litter are eligible to compete in the first annual Futurity Stake held on or after the date they reach six months of age, and only in this stake.

\*Due to the fluctuation of the ARC National Specialty date, there will be times when puppies older than 18 months will be entered because they were NOT 6 months old when the prior Futurity Stake was held.

This year, there will be a +18 months class for any dogs born between 10/1/03 and 10/12/03 ONLY.

The Rottweiler MUST be entered in one of the regular classes at the ARC National Specialty show. When completing the entry form for the ARC Specialty, the fact that the Rottweiler is to be shown in the Futurity MUST BE INDICATED AS AN EXTRA CLASS in the appropriate space provided on the entry form. No additional fee will be required for the futurity class. No Rottweiler will be eligible to compete in the Futurity, which does not meet the following requirements:

1. Be from a litter that was properly and timely nominated.
2. Have been individually nominated before it has reached the age of four months
3. Be properly entered in one of the regular classes of the ARC Specialty.

In this stake there will be 43 cash wins, the three individuals (the breeder, the owner, and the owner of the sire at the time of nomination) partaking of these awards, for a total of 88 monetary awards, won by 40 different Rottweilers.

Ten Percent shall be deducted from the total nomination and entry fee purse to be used for Futurity expenses. This will be known as the General Expense Fund. This Fund shall be used to cover all expenses incurred by the Futurity Stake, i.e., judges, printing, mailing, etc. Since the administrative and judging expense will vary from year to year, excess in any given year shall be carried for use in future years.

Twenty-five percent shall be deducted from the total nomination and entry fee purse to be awarded as follows: 15% to the Best in Futurity, 5% to the Best Senior in Futurity, and 5% to the Best Junior in Futurity. The 15% Best in Futurity award will be divided: 50% to the recorded breeder of the winner and 50% to the recorded owner of the winner. The 5% awarded to the Best Junior and Best Senior in Futurity is to be divided: 50% to the recorded breeder, 30% to the recorded owner and 20% to the owner of the sire or owner of the frozen semen at the time of mating, for each winner.

The remaining 65 percent of the total purse shall be divided according to the percent of the total entry represented by the number of dogs entered in each class.

Monetary Awards will be given to the handler presenting the puppy in the ring for the four class placements. The Best Junior, Best Senior and Best in Futurity monetary awards will be given to the breeder who nominated the litter, the sire's owner who is listed first on the litter nomination and the puppy owner who is listed first on the individual puppy nomination. The monetary award will be mailed to them should they not be present. Monetary awards, which are provided for but cannot be given, whatever the reason, shall be applied to the total Futurity Stake for the following year.

The Best in Futurity Trophy will be given to the breeder who has nominated the litter. Should the winner not be present the trophy will be mailed.
