OBEDIENCE AND RALLY EXHIBITORS, PLEASE NOTE

In an effort to accommodate more exhibitors and also allow for nightly floor cleaning in the Pavilion, the following rules for the placement of crates are implemented:

- 1) There will be no crating allowed between the doors (under the windows) leading to the stairs.
- 2) If crates are left in the Pavilion overnight, all cloth and metal crates that can fold, must be folded and placed against the wall (along with any other personal gear) before the exhibitor leaves the building for the day. Hard crates must also be placed against the wall. The main area of the floor must be clear so that it can be swept nightly.
- 3) During the hours of the Trials, crates in use will be arranged in rows, with aisles kept clear so that people and dogs can easily move through the area. This will meet a requirement issued by the Fire Marshall. The Obedience Chairs will gladly assist in the placement of crates.

If you have questions about these requirements, contact the Obedience Chair for the hosting club.

While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy or the standard for its breed.

Brood Bitch Class – The same as Stud Dog except substitute Brood Bitch for Stud Dog & Produce for Get.
