Veteran Dogs (12 Yrs. and Older)	Veteran Bitches (12 Yrs. and Older)

*Note: Castrated Dogs and Spayed Bitches are eligible for Veteran Classes at independent specialties and by virtue of winning the class, may compete for Best of Breed.*

### Coursing Class Dogs    Coursing Class Bitches

*For dogs and bitches that are AKC registered and are confirmed lure coursing champions or open field coursing champions. Titles may be from any recognized coursing organization. NOTE: Exhibitor MUST supply proof of eligibility for the class with entry. A copy of the certificate awarding the title or a copy of the ENTIRE PAGE from either the AKC Awards or FAN magazine publishing the title will be accepted as proof and MUST accompany the entry form. Dogs & Bitches will not be entered into this class without proof of title accompanying the entry form. First place winners are eligible for Best of Breed competition provided all AKC eligibility and requirements have been met.*

**Best of Breed Competition:** The following categories of dogs may be entered and shown in Best of Breed (Variety) Competition: Dogs that are Champions of Record and dogs which according to their owner's records, have completed the requirements for a championship, but whose championships are unconfirmed. The showing of unconfirmed champions in Best of Breed (Variety) Competition is limited to a period of 90 days from the date of the show where the dog completed the requirements for a championship. AKC Selects for GCH points will be chosen following Best of Breed.

*SCOA has opted into AKC's rule in chapter 16, Section 1 of "Rules Applying to Dog Shows" concerning Points for Reserve Available. "At the National Specialty the dog designated Reserve Winners Dog and the bitch designated Reserve Winners Bitch will be awarded a three-point major, provided that the number of dogs competing in the regular classes of the Reserve Winner's sex totals at least twice the number required for a five point major, in the region in which the event is held."*

Award of Merit: Select Dog and Select Bitch are recognized as the top quality of their sex after BOB and BOS have been awarded. As an Award of Merit is a club award and the Select is an official award of the AKC, the Select is of GREATER precedence than the Award of Merit. Awards of Merit are for those Salukis considered for Best of Breed or Best of Opposite Sex, and are chosen after the Select Dog and Select Bitch. Winners Dog or Winners Bitch are eligible, along with all other Salukis which, in the opinion of the judge, would, on another day, achieve Best of Breed or Best Opposite Sex to Best of Breed. SCOA offers a maximum of ten Awards of Merit, of which the Judge may award all, some, or none.

**Best from the Bred by Exhibitor Classes:** After Best of Breed is chosen, the winners of Bred By Exhibitor Dog and Bred By Exhibitor Bitch compete for Best Bred by Exhibitor. If Best of Winners is from the Bred by Exhibitor class, that entry is automatically Best Bred by Exhibitor.

**Best Puppy from the Regular Puppy Classes:** After Best of Breed is chosen, the winners of Puppy Dog 6-9 months, Puppy Dog 9-12 months, Puppy Bitch 6-9 months, and Puppy Bitch 9-12 months compete for Best Puppy. If the entry has been defeated by another puppy (Winners or Reserve), the entry is not eligible to compete for Best Puppy. If Best of Winners is from either the 6-9 month or 9-12 month class, that entry is automatically Best Puppy.

## **NON-REGULAR CLASSES (INVOLVING MULTIPLE DOG ENTRIES)**

*Note: As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won the class. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."*

**Stud Dog Class:** For Stud Dogs and two to four of their Get. Stud Dog must be entered in the Stud Dog Class and must be shown in the ring with their get. The owner of the stud dog need not necessarily be owner of the get. While the merits of the stud dog are not to be considered in the placement of the entry, the stud dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Get must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

**Brood Bitch Class:** For Brood Bitches and two to four of their Produce. Brood Bitch must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. The owner of the brood bitch need not necessarily be owner of the produce. While the merits of the brood bitch are not to be considered in the placement of the entry, the brood bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Produce must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

**Brace Class:** Two dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."
