SELECT DOG SELECT BITCH

**NON-REGULAR CLASSES (INVOLVING MULTIPLE DOG ENTRIES)
DESIGNATED SHOWS ONLY – REFER TO EACH SPECIALTY SHOW**

FOR ADDITIONAL NON-REGULAR CLASSES, REFER TO EACH SPECIALTY SECTION

Note: As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won the class. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

STUD DOG CLASS – For Stud Dogs and their Get. Stud Dog must be entered in the Stud Dog Class and must be shown in the ring with their get. Stud Dog need not be entered in any other class. The owner of the stud dog need not necessarily be owner of the get. While the merits of the stud dog are not to be considered in the placement of the entry, the stud dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Get must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

BROOD BITCH CLASS – For Brood Bitches and their Produce. Brood Bitch must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. Brood Bitch need not be entered in any other class. The owner of the brood bitch need not necessarily be owner of the produce. While the merits of the brood bitch are not to be considered in the placement of the entry, the brood bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Produce must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

BRACE CLASS – Two dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."

AKC NATIONAL OWNER-HANDLED SERIES

GREAT DANES – THURSDAY & FRIDAY, AUGUST 13 & 14, 2015

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. All dogs that are owner-handled and are not owned or exhibited by professional handlers* meet the requirements for this competition.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the steward's book & the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner.

Professional handlers, household members and current assistants to professional handlers may not exhibit the dog in any competition during the entire show. Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

**Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay or received payment for handling a dog.*

CLUSTER OBEDIENCE TRIAL – AKITAS – FRIDAY, AUGUST 14, 2015

CLUSTER RALLY TRIAL – AKITAS & SAMOYEDS – FRIDAY, AUGUST 14, 2015

All Obedience & Rally Classes Will Be Held Indoors With the approval of the American Kennel Club, Obedience and Rally Trial classes at the OKC cluster will be consolidated to provide maximum efficiency in scheduling and judging. The Judging Program will include a complete list of breeds to be judged, and the order in which they will be judged. All Specialties in this Cluster that are offering Obedience Classes will be judged together. Each dog will be judged and individual scores recorded in the respective breed's judge's book. For the group exercises in Obedience, all breeds will be judged in one group. If there are more dogs competing than can be spaced four (4) feet per dog on one side of a ring, some must be judged in another group. The judge will divide the class into equal sections and the group exercise will be judged after each section. Following completion of group exercises, the judge will complete the judge's books for all dogs entered in each Obedience class in the respective breed's judge's book. Ribbons and awards will then be awarded by breed. Qualifying points in Obedience are based on the number of dogs in each breed only. All Specialties in this Cluster that are offering Rally Classes will be judged together. Each dog will be judged and individual scores recorded in the respective breed's judge's book. The judge will complete the judge's books for all dogs entered in each Rally class in the respective breed's judge's book. Ribbons and awards will then be awarded by breed.
