CGC TESTING

The AKC's Canine Good Citizen Program recognizes dogs who have good manners at home and in the community. At the CGC test, you'll be asked to sign the Responsible Dog Owner's Pledge and then be tested on 10 elements; the evaluator will provide the paperwork to send to AKC to request the CGC certificate and your Springer will have earned the CGC title. Details of the exercises and the pledge can be found at <http://www.akc.org/pdfs/cgc/GK9GC1.pdf> Those who pass the CGC at the National will receive a ESS CGC key chain to commemorate your achievement.

The ESS may be of any age, should be on a flat or buckle collar with a leash that has a clasp (no pinch, prong, electric, head halter, harnesses, slip leads), and the owner would be best to provide a grooming tool (comb or brush) for one of the exercises.

The cost of this test will be \$10 per dog with pre-registration and \$15 per dog for registration at the show. To pre-register, please forward your check to Virginia Huxley at 406 N Strawn Rd, Columbia, MO 65203, together with your dog's call and registered name, date of birth, sex and AKC registration number or ILP number, if you have one. This will allow some of the basic paperwork to be filled out prior to the show. Please make your check payable to ESSFTA. For more information, please contact Gineger Huxley at vhicloud@icloud.com.

Non-Regular Classes Involving Multiple Dog Entries

Note: As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won the class. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

Stud Dog Class: For Stud Dogs and two of their Get. Stud Dog must be entered in the Stud Dog Class and must be shown in the ring with their Get. The owner of the Stud Dog need not necessarily be owner of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Get must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class.

Brood Bitch Class: For Brood Bitches and two of their Produce. Brood Bitch must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. The owner of the Brood Bitch need not necessarily be owner of the Produce. While the merits of the Brood Bitch are not to be considered in the placement of the entry, the Brood Bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard of the breed. Produce must be entered in a regular class, Best of Breed Competition, or some other Non-Regular class..

Brace Class: Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class." If more than one Brace is entered by the same owner, the dogs comprising EACH Brace must be so designated, "Brace No. 1", "Brace No. 2", etc.

This package includes two adult tickets for a five to six hour whale watching excursion leaving from Anacortes (approximately 75 minutes from the Monroe Fairgrounds). You will receive a complimentary 64 page color wildlife viewing guide with species checklist, 10% off regularly priced gift shop items, naturalist guided guaranteed whale watch and free binocular use.

Whale Watching Details: The world's best opportunity to see wild Orca whales is right here in the San Juan Islands, mid-April through October. We are incredibly fortunate to be able to watch three resident pods of Orca whales (all fish eaters; approximately 90 whales), many groups of transient Orcas (the ones that feed on marine mammals), Minke and Humpback whales throughout the summer. The San Juan's are home to a diverse community of other wildlife. On this tour guests may also see harbor seals, sea lions, Dall's and harbor porpoise, bald eagles and many types of sea birds. The average tour covers 60 miles through some of the most beautiful scenery in the world.

The Island Explorer was designed specifically for whale watching, as opposed to a ferry, dinner cruiser, or converted fishing boat like most of the other tour boats in the area. Our boats have lots of amenities to make your trip more comfortable, including two on-board restrooms, a large heated

cabin with over-sized windows, a snack bar with food for purchase, and a custom-designed interior with cushioned booth style seating. There are full walk around upper and lower viewing deck and our guests enjoy 100s of outside rail viewing space. The quality of our boat will enhance your entire whale watching experience.
